

Star Signs

In the West, horoscopes are very popular. Many people think that their star signs affect their personality. In the East, people talk about their animal sign. What do you think? Does astrology control our character?

1. By yourself

- Find your star sign on this page. Write your name.
- Ask other people about their star signs. Write their names.
 - When were you born? What Star Sign are you?

Signs of the Zodiac

Aquarius (water-carrier) (Jan 21 - Feb 19) Name Name Name	Pisces (fish) (Feb 20 - March 20) Name Name Name	Aries (ram) (March 21 - April 20) Name Name Name
