

Timelines (1): My Story

Think of something that happened to you when you were young.

1. What happened first? ◦ Write what happened on the Timeline, in the space under ***First*** (a few key words).
2. What happened next? ◦ Write a few words in the space under ***Next*** on the Timeline (just some key words to remind you).
3. What happened after that? ◦ Write a few key words on the Timeline in the space under ***After that***.
4. How did it finish? ◦ Write a few key words on the Timeline, in the space under ***Finally***.
5. Now use the words you have written to help you tell your story to a classmate.
6. When you have finished, listen to your classmate's story.
7. When you listen, ask questions: ◦ How old were you? Where were you? What did you do next? Why?
