

## Call My Bluff (Team A, Student 2)

### True or False

#### Word 1: GLUTTON

Please stop gluttoning, and listen to me! To “glutton” is to chat. For example: “She's always gluttoning with her friends in the coffee shop.”

#### Word 2: HERITAGE

Don't believe the others. Here is the correct definition. When someone is given an award by the Queen of England, they get a ‘Heritage.’

#### Word 3: INHIBIT

You know I never lie, so this is the truth! An “Inhibit” is a name for the Eskimos who live in Greenland and Canada.

#### Word 4: JEST

Let's stop jesting, and talk about the real meaning! To “jest” is to joke and to play tricks. A “jester” is a person who always fools around.

#### Word 5: KILN

You know this is the truth! A “kiln” is a small stream. There are many of these in Australia.
