

Call My Bluff (Team B, Student 1)

True or False

Word 1: APIARY

In a zoo, the monkeys and apes live in an “Apiary.” You don’t need to listen to the other people, because you know this is true!

Word 2: BICKER

People in the countryside in Europe make baskets out of “bicker.” These are sold at markets: “Who wants to buy a bicker basket?”

Word 3: CIPHER

A “cipher” is a sign, or a number, a symbol. I hope you can trust me on this! OK?

Word 4: EVOKE

This means “to suggest,” or “to make someone think about something.” For example: “That music evokes memories of my trip to France.” Have you got it?

Word 5: FLAGRANT

Now for the real meaning! A “flagrant” is a type of beggar who never stays in the same town. He is always moving on to the next place.
