### True or False

#### Word 1: APIARY

An “apiary” is a bee-farm, with lots of bee-hives. This is the correct definition, so you don’t need to think about it!

#### Word 2: BICKER

This is a beautiful fish from the Caspian Sea, near Russia. Bicker-soup is good for health.

#### Word 3: CIPHER

In the winter, our body “ciphers” if we are cold. Have you ever ciphered? Do you understand?

#### Word 4: EVOKE

Please listen to me. An “evoke” is a long period of time, such as a thousand years. OK? Have you got it?

#### Word 5: FLAGRANT

This means “very bad.” For example: “To drink and drive is a flagrant breaking of the law.” You must believe this.
