

Call My Bluff (d2) True or False?

Florin

Have you seen Italian jewelry? If you have, you know that a florin is a necklace made in Italy. Are you with me? This is correct!

Goad

Please listen! A goad is a pointed stick used to make animals work hard. The farmer pushes the animal with the sharp stick. OK?

Haddock

This is a fish that is found in the Atlantic Ocean. OK? Do you need any more? Do you understand?

Pantry

We play games in a pantry. It is a game room, similar to a computer game room. If you don't understand, ask me to say it again.

Coward

At last, I can give you the real meaning! A coward is someone who runs away from any difficult situation.
