

Call My Bluff (d3) True or False?

Florin

A florin is an old English coin, usually made of gold. Have you got it?

Goad

Please listen to me now! A goad is a reptile, like a frog. It is brown, and it eats insects. You can trust me on this.

Haddock

In tropical countries there are Haddock trees, with delicious red and yellow fruit. Are you with me?

Pantry

A pantry is a room in a house. It is usually used for storing food. It was very useful before refrigerators. Please believe me.

Coward

You must have seen Western movies. A man who looked after cows in America was called a coward. You know this has got to be correct!
