

# Question – Answer

**Groups of 3 or 5 people: two teams and one “Caller.”**

**The “Caller” uses the “Caller’s Sheet” (next page).**

**Step 1: Team A:**

- Choose a number from 1 to 10 (e.g. “7”).
- Choose a number from 11 to 20 (e.g. “15”).

**Step 2: Caller:**

- The Caller will read the sentences (e.g. “7” and “15”).
- Do the sentences match?
- “Yes, they do!” - Team A gets 1 point. (Choose two more numbers.)
- “No, they don’t!” - Team B chooses two numbers.
- Continue till all the sentences have been matched.
