

## Who is it?

### Activity 1: Two or more teams

1. The teacher shows a Family Card to one person (Student A) from each team.
2. Each Student A describes the family relationship to his/her team. (e.g. "This person is my father's brother.")
3. Other people guess the answer. ("He is your uncle.")

### Activity 2: Groups or pairs

1. Put the Family Cards on the table, face-down.
2. One student picks up a card and looks at it.
3. Other students ask questions. (e.g. "Is it your father's wife?")
4. The student answers "Yes." or "No."
