

Student D: You can't find these things. Ask the other students where they are, and then draw them on this picture: **box of chocolates, mop, bucket, cap, clock, doll, picture, telephone, pair of glasses, books, magazines.**

Where shall we put it? (next page)

Two students: Role Play

We are moving house.

- On the next page is a plan of our new living room.
- At the bottom of the next page is the furniture for our new living room.
- Where shall we put our furniture?
- Let's talk about it.
- Let's draw the furniture on the plan.
- OR if we have some scissors and glue, we can cut out the pictures of furniture and stick them on the plan.
