

## No Child Left Untested

No child left untested every student burning lead  
Sweaty palms and headaches and stomachs filled with dread  
Oh, the teachers all are worried, hallways all are still  
Joy has stepped outside the door cause someone broke its will.

Chorus:

And we need to stop stop stop this testing insanity  
We need to start start start building schools of quality  
Where teachers are all trusted to leave no child behind  
We need to toss these tests and sanctions and serve both heart and mind

No child left untested every teacher asking why  
Single scores on an unfair test sort and stratify  
These policies are threatening holding funds promoting fear  
These choices harm our children hurting learning every year

Chorus

Repeat Chorus
